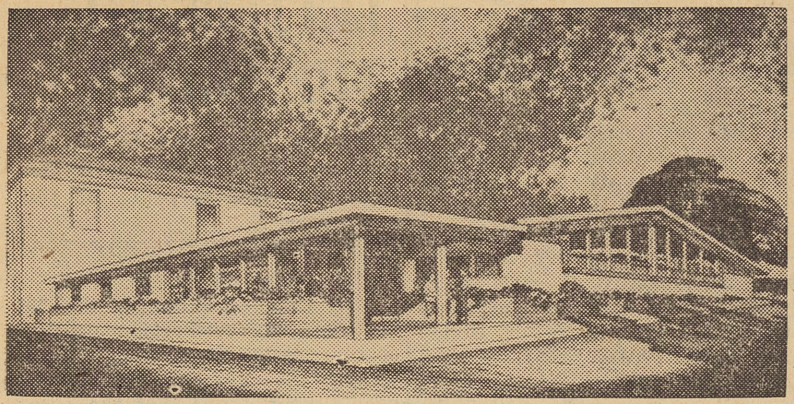
A GROWING NEWSPAPER — A GROWING COMMUNITY

Vol. 62, No. 7 — CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA — 10c per copy — Thursday, February 17, 1955



A YOUTH CENTER Just like this one is proposed for Campbell from funds being raised by projects such as the Billy Wilson Day celebration, February 26, auspices Campbell Police Auxiliary. The Youth Center above is at Pacific Grove.

## FRANKIE ALBERT TO MC OUR BILLY WILSON DAY PROGRAM

Tickets for the Billy Wilson Day program are going out in blocks and it is likely that there will be few if any available at the door on the evening of February 26, according to committee members. There is much interest in that this will be the premiere showing of the 1954 season 49er football games and the pro-bowl game.

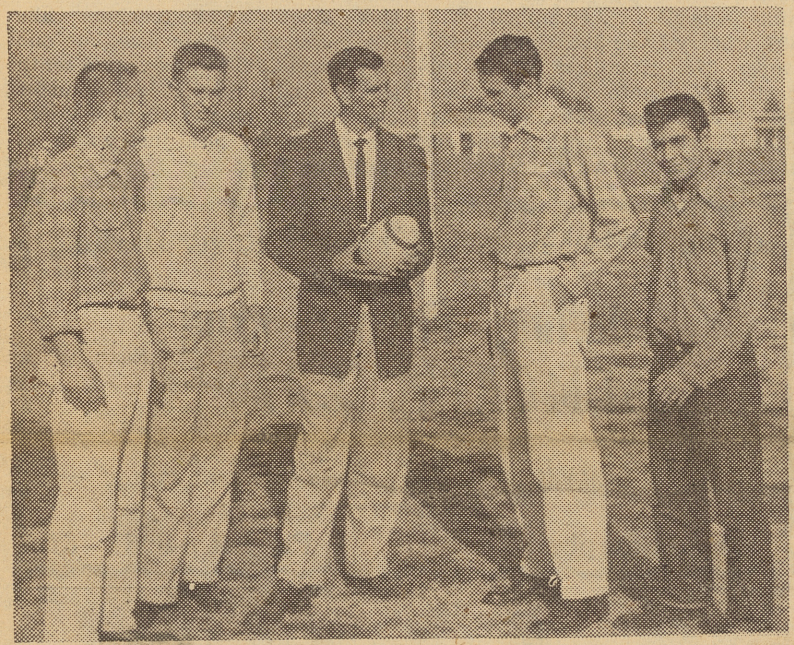
Frankie Albert one of the all-time football greats is coming definitely to M. C. the show and told the Press that he will mention it on his TV show. A dozen or so of the 49er team will be on hand.

Campbell seems to be going all-out for the local boy who has gained nation-wide recognition. Mayor Richard Morton issued a proclamation setting aside the day. At Benson's Cleaners, next to the Post Office an attractive window display has been set up of '49er stars, and a roll of manuscript paper is on hand for anyone wishing to do to sign for presentation to Billy.

Tickets have gone on sale in San Jose and Los Gatos. They are available in Campbell too at Campbell Theatre, City Clerk, Campbell Press, Campbell Taxi, 5-Spot Drive-in, Story Automotive, Campbell High School, Benson's Cleaners, Clark's Drug Store, Roberts Union Service Station and from members of the police or auxiliary officers.

At San Jose from Sport Shop 1172 Lincoln avenue, Al's Sporting Goods Store, 377 So. First, Cope and McPheteres, 66 W. San Antonio, and Leonards.

Proceeds from the show will go toward a youth center for Campbell. The program besides being of interest to men and boys will also be of interest to women who understand football.



CAMPBELL HIGH STARS of today meet Billy Wilson, former Campbell Buc, now a star with the San Francisco 49ers and rated one of the nation's best players in the professional ranks. Wilson who is 6' 3½" seems to be having a heart-to-heart talk with Tony Schraub, who is 6' 4" who was named on the SCVAL all star football team for 1954 now a top ranking basketball star. At right is Eppie Gallego, the mighty mite who also was named on the 1954 all-star team with Gary Lukehart, left, twice named on the all-star team and Dick Kolte who was the Campbell Press choice for the team.

## Kiwanis Scouts, Explorers, Dads On Snow Outing

A Father and Son's snow trip was made by Kiwanis Troop 28 over last week end at Phillip's in the Sierras.

The Explorers and their guests who made the trip were Gene Andres, Don Brown, Mike Burns, Mike Conroy, Doug Dodd, Jerry Henley, Roger Merrill, Larry Weber, Mike Scroggins and Bill Maxfield. The Explorer dads and guests were Jack Burns, Merle Dodd, Bill Henley, Ed Merrill, Phil Maxfield, Bob Weber and Campbell High School Coaches Scroggins, Morgan and Robinson.

The Scouts and dads who enjoyed the snow were as follows: Beaver Patrol: Bill Alverez, Dickie Burns, Craig Morton, Mike Mora, Laynie Waters, Randy Willoughby and dad Mervin Willoughby: Flying Eagle Patrol: Bill Enochs, Bill Campbell and Ray Morton and Dads Bill Enochs and Mayor Dick Morton; Mohawk Patrol: Gary Hayes, Allen Johnson, Jack Johnson, Jack Merrill, Cliff Reynolds and Bill Smart with Dads George Reynolds and Bill Stuart: Graveyard Patrol: Bruce Brown, Jerry Attix, Jerry Hyde, Fred Andres, Ronnie Dodd and Dad Homer Hyde.

Coach Scroggins instructed the Scouts in the fundamentals of skiing.

Movies were shown in the lodge Saturday evening. Church services were held Sunday morning.

In addition to skiing, some of the group took Snow Shoe hikes and tobogganed on the hills. All 46 men and boys returned with all bones intact but with a few strained muscles.

The weather was perfect for a weekend in the snow and both boys and dads are looking to next year's trip.

## POLICE OFFICER AIDS MOTHER

Police officer D. Rachford stopped a speeding car on Campbell Avenue Saturday morning and was informed by the driver, Mrs. Glovie Reiter of 31785 Fremont Road, Cupertino, that her young daughter had mistakenly swallowed sleeping pills for vitamins and she was rushing her to a hospital. Whereupon Officer Rachford quickly transferred mother and daughter to his police car and sped off to O'Connor Hospital where the child was given emergency treatment and kept over night for observation.

---

Campbell and St. Lucy's Schools told Police Monday morning that sometime Saturday night an unknown person or persons had broken windows and entered the schools but nothing was taken or damaged. Police are investigating.

---

Charles Kenneth Ligathall, 32, of route 1, box 250A Williams road, was released on bail after being picked up by Campbell Police at 12:50 a. m. Saturday morning for drunk and reckless driving. His driver's license was also found to have expired.

## CHIEF LOCKE GETS DEFENSE BRIEFING

Chief of Police Robert Locks attended a luncheon meeting Tuesday of all county Chiefs, Sheriff Melvin Hawley and under sheriff John Prusina for the purpose of being briefed on civilian defense. After a second meeting was held at the County Civic Center with Mr. Kemp of the State Civilian Defense as guest speaker. Kemp explained the responsibilities the Chiefs must assume in event of an emergency or disaster, and measures they must take for civilian safety.

### City May Request

## Outside Realty Firms To Pay License Fees

The city council approved preliminary plans for a 12-acre annexation probably to be known as Century Glen Subdivision, extending from Rincon and Virginia avenues to San Tomas Aquino Creek, on which the developers propose to erect three-bedroom and two bath homes. The detailed presentation of plans and need for annexation brought praise from City Attorney Joseph Bonacina who said this was one of the best presentations yet submitted to the council. Petitioners were Irving Dunn of Palo Alto, H. E. Goss of Menlo Park. Bonacina is to prepare the necessary papers to process the annexation.

An informal application to annex property of John and Ada Rickman near Leigh avenue was not acted on as it was conditional to allowing use of some 200 feet of draintile and a street basin. Council and City Engineer Mark Thomas reported that permanent drainage facilities are contemplated nearby, however annexation can not be made conditional to drainage plans. Applicants represented by Kenneth Stringfellow, realtor, were advised to contact Planning Consultant Nestor Barrett and Engineer Thomas to get their application in order.

Council approved rezoning application of A. J. DeSmet and Ralph Weaver from single to multiple dwelling specifically on a lot that is zoned half for one, and half for the other. Also the property of Security Enterprises at Central and Hamilton, which until now did not have all of its land zoned to serve the proposed medical center was given the additional zoning.

Council will take time to study the contract of Los Gatos Scavenger Company, and the ordinance, so that at the meeting February 28 what to do about raising rates 25 per cent for homes and 20 per cent for commercial collections. A representative said the need for an increase in pay comes from a new law which requires new equipment and added personnel.

Nelson Cowdery of 80 N. Second Street asked permission to put concrete in a parking strip by his property, the request being referred to LeRoy Black, superintendent of streets.

Campbell is to have a new police patrol car, the council awarding the contract Monday to the Paul Swanson Company of Los Gatos for a six-cylinder Ford patrol car at $1625.36, similar to patrol cars in use at Los Gatos and San Jose.

**An ordinance is to be drawn up setting time limit for parkin on the west side of Rincon avenue from Campbell avenue to Cherry Lane street.**

The business license ordinance is to be amended so that the veterinarian fee is to be $25 per year, comparable to that paid by other professional men, but sets an additional $50 fee is a cat and dog board kennel becomes a part of the project.

Fire Chief Jack Scott asked for another parking space by the High School Tennis court and one more in front of the Grammar School on Campbell avenue so trucks may have access to fire hydrants.

It may be easier for sound trucks to get clearance to operate as they may now get them through the Chief of Police.

Dr. Robert Jasmine and Sam Cava, representing the Chamber of Commerce and Old Settler Day committee were told to confer with Barrett and Bonacina regarding a carnival which might be set up either back of the Campbell nursery or on Hunt Cannery parking lot.

Council also set March 14 for amending zoning law so that applications properly made may have hearing dates set by the city clerk.

City Attorney Bonacina and Mayor Richard Morton are to confer with County Counsel and Central Fire District heads to work out apportionment of property and a final settlement of the city claim. A 250 gallon pumper offered the city wouldn't be of much good. Since Campbell's incorporation the police and fire services rendered by the city to outside has been much greater than has the county services to the city.

**With building activity brisk in Campbell and many more new homes contemplated, the city may take steps to collect the regular $25 license fee for real estate firms having local listings and erecting for sale signs. The matter is having study now.**

Bonacina reported at length on the city rights to act on the placement of power lines, especially those passing through which would have some state regulation. Councilman Gordon Daum suggested it be referred to the ordinance committee.

Mayor Morton gave a directive that city owned cars were not to be used for personal use, and indicated that private cars used for city business should carry adequate coverage.

## OFFICER CASEY RESIGNS FROM POLICE FORCE

Police Officer Tom Casey submitted his resignation through Police Chief Robert Locke to the city council Monday evening indicating he expects to have other employment but that he will continue to live in Campbell. The resignation regretfully received is not to be acted on until a satisfactory replacement is made. Chief Locke told the Council that there are about half dozen applicants for a position on the Campbell Police force.

Officer Casey was commended at the November 8 meeting of the council for having twice within ten days discovered fires and for impending danger, at the same time giving by car-radio the fire alarm.

## Uranium Topic

Virgil Herring, owner of 26 uranium claims is to be the featured speaker at the radioactive minerals meeting, March 3 at 43 South Third street in San Jose under auspices of the Santa Clara County Chapter of Western Mining Council. Steve Ridgely is to be program chairman.

Herring is to discuss prospecting for uranium, use of Geiger and Scintillator counters, development costs and other problems. He has been featured in 30 minute TV program, and has talked before other groups on this subject.

## Rotary Hears Of Guide Dog Costs

Mrs. Henry Franks, county chairman of Guide Dogs for the Blind, was guest speaker at the Monday luncheon meeting of the Rotary Club. Mrs. Franks discussed the work being done by the the Association and showed films of its operation and costs, saying only 10% of gross income is used for expenses, which is a very favorable figure. Another guest was Mrs. Margaret Reaves of San Jose with guide dog Jenta, both of whom are graduates of the school. Mrs. Reaves described the school's training program for both student and dog. Chairman of the day was Dave Rutherford.

### Constitution Speech Contest Held

Everett Avila, a sophomore, was the winner of the constitution speech contest sponsored by the American Legion, and held, Thursday, February 10, in room 39. Pat Belander was second place winner.

The winners now will represent Campbell High at the regional contest to be held at Abraham Lincoln High School, San Jose, at 7:30 P. M., Tuesday, February 15. Other high schools participating will be Fremont, Los Gatos, Abraham Lincoln, Willow Glen, Bellarmine, and James Lick.

ARCHITECT'S DRAWING of the new $97,000 Methodist Church which has been started on Winchester Road near Latimer. Gothic in design and of stucco construction it is to be built in units around a courtyard, the first unit now underway being Friendship Hall shown in the foreground which will seat 500 people and will have a kitchen. A 25x39 All purpose room is also included in the first unit, scheduled to be completed by October. Rev. Herbert Neale is pastor of the church, now located on Campbell avenue opposite the library.

## Work Starts On First Of New Church Buildings In Campbell

By Vivian Faulkner

To keep pace with the tremendous building of new subdivisions with their influx of new families in the Campbell area many churches have found their present quarters can not adequately handle the increased congregation seeking spiritual guidance in these uncertain days and so have found it necessary to embark upon a building program which will satisfy these needs. According to Reverend Herbert Neale of the First Methodist Church, the basic reasons for expanding church facilities are simply that many persons are turning to the church with renewed interest and a real searching for truth; others, due to increased fear of the future; and some find it a place for making lasting friendships. For these reasons the Methodists have found it necessary to build a new church.

This week forms were laid for the first unit of the new $97,000 Methodist Church on Winchester Road. The new church is to be modern Gothic in design with frame and stucco construction, and will be built in units around a courtyard. The first unit will include a friendship hall which will seat 500 persons in rows or 350 for dining; a kitchen with four divisions, they being cooking serving, dishwashing, and preparation; and a 25 x 39 fireside or all purpose room. The contract calls for this section of the new church to be finished by the first of October in time for the Church's Fall program.

The second unit, which members hope to build in the not too distant future, will be the administrative building with offices for the minister, associate minister and secretary. Plans call for all units to be connected by covered walkways, with the areas between buildings converted to a fellowship park, recreation court, and children's play area. The prime object of the quadrangle is that is be used for meditation and relaxation by the congregation. The completion of this second unit will also include a parking area for 112 cars, all driveways and walk areas.

The Church is being built by Thayer Lyons of Campbell, a general contractor, who will also be using volunteer labor contributed by members on holidays and weekends, the church having obtained permission from the trade unions to do so. Dean Chamberlain is general chairman of the building committee ,with Joe Dahl as vice chairman. William Beyer is chairman of the volunteer labor committee which is in charge of material procurement, buying where most economical. Other members of his committee are Oliver Buehner and Howard Guilbert.

Another Church now making plans for larger quarters on Campbell Avenue is the Congregational expecting to begin their new building within the year. Gifford Sobey of Los Gatos is the architect they have selected to draw plans. Mrs. Dorothy Royce is chairman of the New Church Building Committee and various sub-committees which met last night with the architect to line up the necessary data in preparation for drawings and to hear ideas on its construction. The sub-committees are listed as Womens Divisions, which includes the kitchen; Religious Education; the Sanctuary, Auxiliary rooms, Equipment; Finance; and General Recreation and Exterior. After hear ing their ideas and plans the architect will be able to proceed with the drawings.

Church of God Assembly on North Winchester Road also is making extensive improvements to their facilities.

## OLD SETTLER DAY GROUP WORKS HARD

Plans are going ahead and the project seems to be getting bigger for the Old Settler Day celebration, April 29-30; May 1, it was reported yesterday noon at a luncheon meeting of the Chamber of Commerce by Dr. Robert Jasmine, general chairman. He said committees are working hard to make the affair an outstanding success.

Besides the parade, a carnival or kiddie Town may be set up but one of the main functions will be to honor the old settlers. This is to be the 63rd annual celebration of this event.

Dr. Jasmine announced the following committees: Parade, Guy Smith; music Ed Tonini and Richard Gordon; Carnival and entertainment, Anthony Raffanti; drill teams and floats, Thayer Lyons; Dance, Robert Landreth; auditor and finance, William Enochs; queen and whiskerino contests, Dr. Howard Manson and George Beaudikoffer; Hospitality, Ambrose Mirassou and Henry Knode; mounted units, Gilbert Verone; variety show, Dr. O. J. Bacci; publicity, Leonard Baptist and E. Laney; program, Joe Anello, Emily McConnell, Ann Levin, Cel Gerevas, Nubs Schoenberger and Anita Jacobus.

At the meeting yesterday, Mario Saia who is chairman of the industrial committee for the Chamber of Commerce, said progress is being made toward securing new industry, and that he expects to work on a brochure soon presenting points of advantage for firms seeking locations in this area. Saia said that anyone having ideas on this topic should contact him soon.

Sam Cava, president, told what the Chamber of Commerce is doing now, particularly regarding status of the Southern Pacific direct service to San Francsico. He said too that all Christmas decorations have been stored away.

## Kiwanians Plan Joint Meetings

William Henley, Lieut. Governor District 12, paid an official visit to his home club in Campbell Tuesday and told of some of the contacts he has made since taking office two months ago, and predicted a big year for Kiwanis International now observing its 40th anniversary. Two new clubs were organized last week in Henley's district. Dr. W. R. Morgan was program chairman.

At the meeting Tuesday, a group from the Morgan Hill Club was present .

Next Wednesday noon is to be a joint meeting with the Cambrian Kiwanis Club at Cambrian Park while at 6:30 that evening the Campbell Club will also meet at Quito-Saratoga Club and conduct the meeting.

Dave Sanders and other members of the Kiwanis Club will help stage a basketball tournament March 5 for Grammar school boys.

### CORRECTION

In last week's Grange report it was erroneously reported to the Campbell Press that Mrs. Catherine Halwell gave a brief talk on the origin of Valentine's day and decorated the hall with Valentines. It was Mrs Cora Kaufman who gave the talk on the origin of Valentine Day and also decorated th ehall with Valentines.

## HIGH SCHOOL TO BUY RUTHERFORD PROPERTY HERE

Negotiations are under way today for the purchase of the Rutherford property facing Winchester Road by the Campbell Union High School District. The site, which is 80 by 260 feet, includes a two story home used now as a mortuary and which, when taken over by the school district in June will be converted for district offices. The building is the former home of the Hedegard family, early pionerrs in Campbell.

A sales agreement has been signed and property is in escrow for title search, according to Laurance J. Hill, school superintendent. The school property completely surrounds the site except for its frontage on Winchester Road.

Dave Rutherford said he expects that the mortuary will be continued at another location.

## BUMPER PUSHING MOTORISTS

The safe driver on the highway going along within the speed limit is often called on, especially at night, to move over and let a car a matter of inches away to pass. The rear car has its bright light on and blinking. The driver of the rear car feels safe in that the brakes of his modern car will respond, his bumper being so close to the car ahead, his speed can easily be checked.

Besides this, the driver of the rear car is reasonably sure that the car ahead will move over, and it usually does so he can shoot ahead and work the same thing on the car farther along. No one is hurt, no car is damaged, and the car anxious to get along actually moves about five miles an hour faster than the regular line of traffic.

The traffic officers seldom see this. It has to be experienced. But there are not many motorists who travel the two-lane San Jose-Los Gatos, or the Santa Clara-Los Gatos roads who have not had the experience. It is a trick that can work easily with both cars moving along at fifty miles an hour. Once in a while, the car pulling off may crash a pole or some other obstacle, the other car then being able to get away quickly. That has happened, and the traffic report doesn't sound any too good for the driver of the crashing car. He may never have lived to report the cause.

Generally speaking, so far as the bumper-pushing car driver is concerned, it is a safe game and he gets ahead a little faster. Traffic laws are not likely to stop him. The safe driver is at a disadvantage.

Somewhere along the line of our educational system, courtesy on the road should be a lesson. There must be a way to make drivers realize that the other fellow has equal rights to a public thoroughfare.

## BOY, THIS IS THE LIFE!

Seems that Spring has come to the Santa Clara Valley, with here and there some almond trees in bloom, some japonica or flowering quince drooping with pink blooms, and camellias in a variety of waxlike flowers. The robins are hopping about pulling worms from the freshly tilled earth, or stripping the toyon berries that have been on bushes since before Christmas.

The streams are full, the hills are green, the sun is warm, yet the book says the vernal equinox doesn't come for more than a month. Don't you feel the stirring of new life as you breathe in the new air?

The papers say the East is freezing and that it is sub-zero in the north, but here in the valley, spring is ahead of the calendar. There will be more rain and cold, but not much and not for long.

Soon the prune trees will wear their white coats like opera goers, with bees humming music to them until the coat is shed. Then wild flowers will put down a new carpet. We can't help it because Spring is so near, for we humans respond to the moods of nature just as we do to the moods of music. We bend an ear now to Mendelssohn's "Spring Song," and awake to the joy of it. Spring is here, unless Winter stirs with a final kick and chills the ink used to write this editorial before you have a chance to read it. In that case it would be back to Tschaikowsky's "Pathetique" and another blanket on the bed.

## WHAT ABOUT COMMUTE SERVICE?

The idea of commute train service to San Francisco by way of Vasona Junction, Los Altos and Palo Alto should be of interest to the people of Campbell who until now have to consider going first to San Jose to await a connection. There are major industries in Palo Alto and Permanente which could be reached by this line before and after working hours so that some of our homeowners might find occupation there.

Route 5 freeway on the other hand would find the Hamilton Avenue interchange bringing workers quickly by car or bus from industrial plants at Santa Clara, Sunnyvale, Milpitas and other northeast centers to homes in Campbell.

## TWO IMPORTANT CONFERENCES

San Francisco will be the location next week of two conferences called by the California State Chamber of Commerce which may have considerable bearing on the future of our State.

The first conference on Monday will seek to crystallize the thinking of business, industry, agriculture and government as to what additional legislation is needed to cope with the growing air pollution problem—smog, in short.

The second conference on Wednesday, February 23, will consider the allocation and appropriation of water from the mountain counties — a vital subject which has become "wide open" since Attorney General Brown rendered his opoinion that mountain counties have perpetual paramount rights over water which originates in them.

The smog problem no less than the water problem is one of Statewide import. University studies have proved conclusively that smog costs agriculture millions of dollars annually in crop damage. It is not therefore the problem only of congested urban areas.

The future growth pattern of the State will be set by the ultimate decisions made on the water question. Nothing could be of greater importance.

The conferences, incidentally, are an excellent example of the services rendered the entire State by the California State Chamber of Commerce, which has acted vigorously to focus attention on these paramount questions.

### PROCLAMATION

WHEREAS, diseases of the heart and blood vessels are responsible for 52 percent of all deaths in the nation and are the leading cause of death in this city;

WHEREAS, they also constitute a leading cause of disability;

WHEREAS, they represent a staggering economic loss by reason of lost productivity and medical-care expenses;

WHEREAS, our only hope for successfully combatting these diseases rests with continuing programs of medical research;

WHEREAS, there is an urgent need for better understanding of heart diseases through programs of professional and public education, and also a need to protect healthy hearts and help heart disease sufferers to lead happy and useful lives;

WHEREAS, the Santa Clara County Heart Association, an affiliate of the American Heart Association, is vigorously devoting itself to the above-named objectives;

NOW THEREFORE, I, Richard W. Morton, Mayor of Campbell, do hereby order that the month of February be observed in the City of Campbell as AMERICAN HEART MONTH, urge all citizens to support the 1955 Heart Fund campaign, and request all schools, churches, scientific bodies, civic associations, business establishments, social and fraternal organizations and the people generally to give this great health project their fullest cooperation and support.

(Signed)
RICHARD W. MORTON

## GEORGE WASHINGTON

Like men in a tiny ship, our Founding Fathers dared to cast off the lines that bound them to England and set out in treacherous, uncharted seas on the course of democracy.

The ship was well-manned, with Jefferson, Franklin, Adams, Madison, and many others. But for captain they needed that man among them who had most of strength and courage and devotion to their cause. Who would it be? Almost instinctively, they knew.

They turned to George Washington.

Probably Washington never dreamed that a nation second to none in the history of the world would grow out of that early voyage, and would pause on a day 223 years after his birth to honor him.

But it was Washington, with his steadfast vision of a people free and united, who brought our country through that perilous period of infancy when it was fragile and might easily have broken to bits.

It was his courage in the face of physical danger, first ,which saw us through the Revolutionary War. Had he once wavered, America might have been doomed to colonial status, lasting, perhaps, into the twentieth century. His mental courage later held the states together in the confused days following the War.

From the signing of the Declaration of Independence in 1776 until his death in 1799, Washington was the leader, the captain of democracy, a staunch pillar supporting the growth of America.

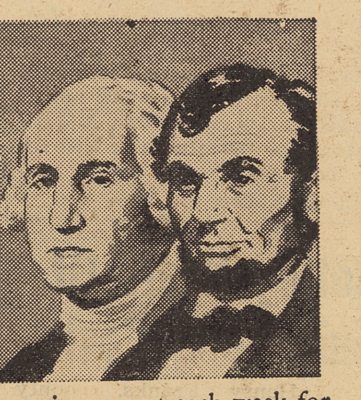
WHEN IS YOUR BIRTHDAY?



The fact that two famous presidents were born in February reminds us that lately some of our friends have been opening "birthday" saving accounts—either for themselves or a member of the family. The idea is to save a certain amount each week for a special purpose, starting on the person's birthday. We think it's a fine idea—but why wait for a birthday? Why not start right now?

SIGN OF THE TIMES...
*Timeplan*

Judging by the number of Timeplan auto financing contracts we've processed so far this year, the 1955 models are going to out-sell any previous year. There's a reason for this, of course. 1955's crop of cars not only look good, they *are* good—undoubtedly the best automobiles ever built. And Timeplan is a good sound way to buy—through your dealer or your Bank of America branch.

# The Campbell Gambol

LAST SUMMER While enroute to the land of the midnight sun, Jim Canterbury and wife Beverly parked their Volkswagon in Seattle and boarded a boat bound for Alaska then relaxed in their deck chairs for a while watching the inland passage scenery, then feeling a need for action, began playing shuffle board on the deck . . . about that time a photographer for the Canadian Government took a snap shot, so . . . were they surprised to see the picture in Time Magazine and again in full color in American magazine advertising tourist trade in Canada . . . Jim English teacher at Campbell High School and advisor for the Campus Echo, the school publication, while Beverly his charming wife, is on the faculty of the Campbell Grammar School.

HONOR STUDENTS from Hamilton and Dover Schools were taken to the Cow Palace at San Francisco recently to see the Harlem Globe Trotters basketball team in action and get a laugh at some of their clowning antics but there was more excitement in store than that when one of the boys was "rolled" for two nickles by three juveniles in a rest room after which Wayne Fontes and Duane Beaubien, school principals, investigated but could get no trace of the culprits.

GOOD GRACIOUS . . . for a day I was a valentine, the choice of the Campfire Girls, and was I flabbergasted and were they nice in sending me valentines from 32 troops, postmarked from Saratoga, Los Gatos, San Jose and Campbell, most of them made by the girls and signed by them with words like "roses are red, violets blue, sugar is sweet and so are you. . with love from the Jolly Jills Blue Birds" and "We 'chews' you to be our Valentinme—the Morning Glory Blue Birds" (with stick of chewing gum attached) and "for the nice things you've done in your own thoughtful way, this comes to say 'thank you' on Valentine's Day —Luta Horizon Club" and all the other nice thoughts of complete surprise right from their kind little hearts, and I feel good about it but also somewhat sheepish because most of the reporting on their activities had been done by our own Vivian Faulkner and treated by me purely on its news value, such for instance as her her story of the 7th grade girls who four years ago became interesed in a boy of their age who had become a polio victim and they began making regular visits at least once a month and kept it up for four years to date even though he has been bedridden and was moved some fifteen miles away, giving him the news of his classmates and calling him cheerfully their Campfire Boy . . . or of the Campfire girl who wouldn't let polio keep her down when stricken in 1952 and had a nurse read many times daily the story of Honey Bear Warren's determination, saying that she too would walk again . . . with a cane and a crutch she walks today and is one of the honor students in Campbell High School. . . other group meeting reports were turned in so with stories like this to clear, the task for an editor was easy . . . I just got good breaks, and a lot of nice attention from some pretty lot of little girls who are some day to be homemakers for community leaders of tomorrow.

MYSTERIOUS Though was the valentine received by a friend of Fred Madsen's of 259 Dallas Way whose postman left an envelope all perfumed and stuck up with hearts and flowers and butterfiles, while inside was a note saying, 'the words on the valentine were so purty, I jest kept it' and there was no signature to indicate who had sent it.

THE EDUCATOR, a new publication just out for the Campbell Union Elementary School District explains its need in that the district is rapidly losing its rural atmosphere with Campbell, Saratoga, Los Gatos and San Jose postal addresses within the district so to build a functional school the paper will attempt to reflect the team work of trustees, professional staff, cafeteria personnel, bus drivers, parent and teacher groups and other agencies of government and educational processes there being enough copies printed for each of the 4,646 children enrolled in the nine schools . . . Campbell with 897, Cherry Lane 346, Cypress 460, Dover 378, Hamilton 580, Moorpark 697, Quito 339, Rosemary 398, San Tomas 524 and County Hospital class 27, with a teaching staff of 173. . . five years ago the same district operated with but three schools and 90 teachers while ten years ago there was but one school and 35 teachers . . . a tenth school for the district is now under construction on the 10 acre South Monroe street site just south of Williams Road.

# LETTERS TO THE EDITOR

**Opinions expressed in this department do not necessarily reflect the editorial policy of this newspaper.**

Editor, Campbell Press:

Why change the date of the Old Settlers' Day celebration because of the possibility of rain? I am voicing the expressions of lots of people when I say that the event will not be the same if the date is changed. Our Old Settler's Day is the oldest annual community celebration in Santa Clara County, and except for the Pasadena Tournament of Roses, the oldest in the state.

We have had this observance for over sixty years and have never held it on Sunday, which I also believe is a mistake. I am the oldest resident of this community and am very unhappy to see all the changes made by people new in the town. Do they have any assurance that it will not rain in April or May?

Very respectfully,
CHARLOTTE M. SUTTER

when fuses blow and leave you in the dark

...it may be time to have your home wiring system checked!

A blown fuse *is* a nuisance. But too many re-fusings may be a warning that the wiring in your home can't handle all the appliances and lighting. In 4 out of 5 homes (new ones not excepted) wiring is inadequate. To make sure *your* home is wired safely—and can provide all the electric current you need for the appliances you have now—or plan to add later—why not call in a qualified electrical contractor?* New wiring—as well as appliances—can be financed on easy bank terms. *If you're building, ask for a "Certificate of Adequate Wiring"—proof of a first-class job.*

## PTA Founders Day Group Sees District Grow'

"How High Schools Help Students Plan Their Futures" was the topic of Jules Langlo, senior counselor, at the February Founders' Day meeting of the Campbell Union High School P. T. A. in addressing a capacity crowd. He stressed the importance of guiding student interests into the proper channels for the furthering of a career for which he is best suited.

A piano selection by Miss Duane Patterson was enthusiastically received.

Mrs. Leonard Meritt president, conducted the business session which followed a dessert served in the school cafeteria.

Mrs. George Robertson, president of the 6th District, and Founders' Day chairman, introduced the following, all past presidents of Campbell Union High School: Mrs. E. A. Howe, Mrs. Anthony Jurras, Mrs. Carl Field, Mrs. Earl Booker, Mrs. Raymond Flagg, Mrs. Alfred Weltz, Mrs. James Gleed, Mrs. G. D. Robertson, Mrs. LBen Howard, Mrs. John D. Cantoni, Mrs. Eugen Andres, and Mrs. W. R. Morgan.

Life Members introduced were: Mesdames Ray Wood, Alfreda Runge, Henry Jenson, James Gleed, Laurance Hill, and Mr. Laurance Hill. Mrs. Robertson then presented this year's Life Membership pin to Mrs. Adele Charlson, home economics teacher at the school.

The various scholarships and grants available to the students were described by Mrs. Laurance Hill, scholarship chairman.

A note of comedy was injected into the meeting when a skit written by Mrs. Ray Martin was enacted by the following fathers: Messers. Leonard Meritt, Alfred Weltz, George Robertson, Hal Brown, Larry Newberry, Gene Gomez and LBen Howard. The men, dressed as women, presented their version of a Founders' Day Meeting.

Mesdames Dan Caputo, George Hatlen, and Herbert Binley were elected to a nominating committee and asked to present their report at the next meeting.

Hostesses were the Sophomore Mothers and dads.

1,500 members of the Boy Scouts of America will attend the 8th World Scout Jamboree next August 18-28 at Niagara-on-th-Lake, Ont., Canada.

## L. Lafferty Chosen 'Valentine' For Camp Fire Assn.

By Vivian Faulkner

The most dumbfounded man in Campbell Monday morning was Lester Lafferty, publisher of the Campbell Press, when the mailman delivered scores of fancy lacy valentines addressed to him. His amazement grew as he found each valentine signed by members of Blue Bird, Camp Fire, and Horizon Groups, and all expressing sentiments such as "Will You Be Our Valentine?", "Valentine in Appreciation", "We Chews You" complete with a stick of gum, and other sweet sentimental verses written by the girls. The Valentines came in various sizes ranging from the conventional envelope type to a gigantic red heart measuring eighteen inches in length, all lavishly decorated with paper lace, heart and flowers.

In the afternoon the mystery was dispelled when representative members and their leaders of Blue Bird, Camp Fire, and Horizon Groups trouped into Lafferty's office to inform him that he had been chosen "Valentine of the Year" by the Campbell District Camp Fire Leaders Association comprising thirty two groups. Mrs. Harry Smith, president of the Association, speaking on behalf of member groups told him that once a year this honor is awarded to the man in the District who has done the most to promote the cause of Camp Fire, and that this year he had been unanimously designated as that person because of the favorable publicity he had given to troop projects and activities throughout the year.

Upon completion of these ceremonies the office staff decided this was an ideal time to take Lafferty's picture with the girls since he is always taking someone else's picture for publication. This done, decorated heart shaped cookies were passed around to the group by the staff who had been told by a little bird that the ceremony was in the offing, but had kept it a deep dark secret.

Girls and their leaders who made the official announcement were Blue Birds Michele Ferraro, Toni Hatt with Mrs. Boyd C. Rappe; Camp Fire, Judy Garcia, Christine Titus with Mrs. Beryl Garcia; and Horizon Club, Shirley Davis, Margaret Smith with Mrs. Harry Smith.

Valentines were received from the following Camp Fire Groups: Cha-Ki-Ya, Li-Wo-Ca, Wi-Ya-Ka-Pa, Wee-Ki-Ya, Nokita, Ki-Da-Can, Kada-Ha-Nee. We-To-Ma-Chuck, Blue Bird Groups, Morning Glory, Cherry Birds, Merrie Pixies, Happy Blue Birds, Cherry Blosson Blue Birds, Jolly Jills; and the Luta Horizon Club.

Albert Ellis, of San Jose State College, will be the guest speaker at next Wednesday's meeting of the Business and Professional Women's Club which will be held for the first time in the teachers' room of the Rosemary School at 8:00 p. m. Dr. Ellis is one of the four men chosen by the City of San Jose to study problems concerning radiation at the University of Davis. He will show films and discuss the mobile Radiological Laboratory which makes tests of water, food, clothing and so forth, for radio activity in case of an air attack. Dorothy Ellis will be chairman for the evening.

Annual reports by chairmen of various committees and summary of the budget expenditures would up the year for the B. P. W. C. when it met last Wednesday evening. Members discussed the theme they intend to stress the ensuing year and made suggestions to be forwarded to the State Federation. Recommendations of other B. P. W. Clubs for candidates for Peninsula offices were read with the local group designating their choice. Old Settlers' Day came under discussion with the club tentatively deciding to participate in the parade by entering a float.

# San Tomas Has A Family Night

More than one hundred residents of San Tomas attended a "Family Recreation Night" in the school cafeteria last Friday evening and viewed a film entitled "Man's Best Friend". Following the program, cherry cobbler, yeast rolls and coffee were served.

Mr. and Mrs. Cahill, recreation chairmen of the San Tomas PTA, were host and hostesses for the evening. They were assisted by Mesdames Evelyn Lloyd, Ted Balgooyen, Orrin Lawson, Ken Wilson, G. H. Peterson and Chris Miller.

# San Tomas Honors Past Presidents

Mr. and Mrs. Steve Anderson were honored at San Tomas Founders Day meeting on the evening of February 15, by the presentation of a lifetime membership in P. T. A. and a PTA honor pin. These awards for outstanding service to PTA and the community were made by Edward Tablak. The disclosure of the identities of the honorees was made through a skit with a "panel of experts", Mrs. G. H. Petterson, Mrs. Chester Eads and George Orr, with Tablak as master of ceremonies. A nosegay of violets was presented to Mrs. Anderson and Mr. Anderson spoke in acknowledgment of the awards.

Mrs. Chris Miller, president, introduced Mrs. Robert Farrell who read a history of the eight years of San Tomas life. She in turn introduced the six past presidents who each gave a talk on activities of her year of leadership. Camelia corsages were pinned on past presidents, Mesdames John Perata, Donald Lukehart, Ray Martin, James Barnett, Esther Hanson and B. L. Bowden.

Mrs. Mary Bailey's third and fourth grade classes assisted by six cub scouts sang three patriotic songs and three rounds, and gave a short history of the writing of the Star Spangled Banner. Book reports were given by Mrs. Lillian Hughes, Mrs. Frances Lenz, Mrs. Harold Gardner, Bill Good and Bill Evans. Refreshments were served by the third and fourth grade mothers.

Decorations were in the traditional blue and gold. The program was planned and co-ordinated by Mrs. Orin Lawson, Founders Day chairman.

# Hamilton Hears S.J.S. Professor

William H, Sweeny, of San Jose State College and chairman of the division of teacher education, was guest speaker at the Tuesday evening meeting of the Hamilton School PTA. Sweeny spoke on conditions of schools and of the teacher situation, saying there is a shortage of good teachers. The meeting was opened with a pledge to the flag led by Girl Scout Troop 125 and their leader, Mrs. Paul Roberts.

Plans were discussed of a fashion show to be held March 18, at the school by Lia's and Gloria's dress shops. There will be a door prize, a dress award, and refreshments. LaVerne Valunga is program chairman.

Entertainment was provided by Miss Barbara Leach and Mrs. Helen Bennett's kindergarten classes who presented a group of songs and several numbers by the rhythm band.

# Can Can Dancers Twitch Ruffles For San Tomas Follies

Someone in the San Tomas area is likely to see his or her life portrayed in the drama "What a Life" when the San Tomas Follies go on the stage in the school cafetorium there, Friday evening, February 26.

Some man with a flair for fashion is apt to win in a contest there that evening for wearing the most elaborate chapeau.

There is quite a lot of interest in the identity of the can-can girls who are twitching their ruffles in rehearsals preparatory to the show.

Tickets are on sale now by members of the fifth and sixth grades. A prize is to be given the student making the most ticket sales, while the winning classroom is to be given a party.

# El Quito Park Parents Hear Of Shortcomings

"I'm glad it wasn't my child who was up here", commented Mr. V. Romer at Tuesday's El Quito Park PTA meeting where a panel of seven children discussed "What I Expect of my Parents". Romer, a Campbell High School teacher, formulated the questions which these third to sixth grade children answered in a most uninhibited manner.

Fuorth grader Rudy Gutierrez was easily the star performer, bringing into discussion of every subject a frank approach. About parental discipline Rudy announced that he is scolded whether he or the other fellow is to blame. About companionship, Rudy remarked: "I have a fishing pole, but my dad never takes me fishing. I can't catch up with him. He's too active for me".

Linda Barton, third grader, started out most bravely by remarking that "parents should treat their children just like they were thir own children". Lucia DeBois, fourth grade, offered the suggestion that "before our parents trust us, they must show us that we can trust them". Mary Ellen Hoover, sixth grade, felt that children should earn allowances by doing chores.

Fifth grades Candace Maddux complained that parents often do and say the very things they have told their children not to. John Smith, fifth grade, held that parents talked too much and too long, and Robert Pfister, sixth grade, wished that parents would listen more to children.

A ham dinner preceded the business meeting and entertainment, with a couple of hundred adults and children packing the Moreland Cafetorium. Mrs. Phillip Hurd was in charge of this very successful dinner, and was assisted in the serving by the second grade mothers. Mrs. Oliver Upton, president, announced the opening of the business meeting with the I-Y-Wa Camp Fire Girls leading the flag salute, after which several songs were sung by Miss Margaret O'Donnell's fifth and sixth grade chorus. Mrs. Hazel Hopkins fifth grade won the attendance award.

Nominations were made for the nominating committee, who will present a new slate of officers for consideration at the next meeting. Mrs. Delores Lopez and Mrs. Hazel Hopkins, both El Quito Park teachers, Mrs. Bruce Holmes and Oliver Upton were elected to the committee.

Mrs. Upton announced that a general meeting of the Citizen's Advisory Committee would be held February 21 at 8:00 p. m. at the Moreland cafetorium, and asked that PTA representatives appear at this meeting, the purpose of which is to form a committee to assist the Moreland School Board with its problems. Mrs. Upton then turned the meeting over to principal Robert S. Tack, who introduced the child panel and moderator.

# Desserts In A Jiffy

Here is a dessert that is so easy to make a child can do it — and so effective to look at, so delicious to eat, that any hostess or junior hostess will be proud of it. It's the logical solution to the "What can I make in a jiffy?" problem. Not only the colors but the flavors of the prune purée and the orange rennet dessert go together beautifully.

For speed, economy, and deliciousness — try Jiffy Prune Rennet Desserts and see for yourself.

**Jiffy Prune Rennet Desserts**

¼ cup thick unsweetened prune purée
2 cups milk (not canned)
1 package orange rennet powder

Set out 4 or 5 dessert glasses. In the bottom of each dessert glass place a heaping teaspoon of prune purée. Warm milk slowly, *stirring constantly.* Test a drop on inside of wrist frequently. When COMFORTABLY WARM, (110° F.) *not hot*, remove *at once* from heat. Stir rennet powder into milk quickly until dissolved — *not over one minute.* Pour *at once, while still liquid,* over prune purée. Do not move until set — about 10 minutes. Then chill. If desired, just before serving, garnish with whipped cream.

# Bucs and Panthers Hold Top Spot In SCVAL Race

Both Campbell and Santa Clara are expected to win their games this week and then meet for the 1955 Santa Clara Valley Athletic League championship in the Buc gymnasium a week from tomorrow night. In defeating Fremont at Sunnyvale 39-35 last Friday night, the Panthers showed a lot of class and introduced one more "star" to an already loaded club.

**THIS WEEK'S BIG GAMES**

CAMPBELL at Washington
Los Gatos at Santa Clara
Mt. View at Fremont

Santa Clara coach, Dean Giles, played a freshman, Larry Guilford at forward who contributed nine important points. Though winning their fourth straight league contest by only two field goals, the Panthers were never behind the Indians on the scoreboard. They led 21-15 at the half and 33-23 after three quarters.

Like the Bucs, Santa Clara plays a "team" game so the game next week should go right down the wire, with perhaps a few breaks deciding the winner. Panther center, Bob Lister, though only a freshman, has been the "center-pin" for the team all season long. This 6' 3" boy graduated from Sunol Grammar School only last June but is already being considered an All-SCVAL candidate at the post. Also grabbing important rebounds for Santa Clara is 6' 3" forward, Ron Stevenson, who who transferred from San Francisco this season. But, strangely enough, the two highest-scoring Panthers are guards, Ray Araujo and Ray Elkins, good for a dozen points apiece last week against Fremont. Tomorrow night, Santa Clara will meet Los Gatos at home. The Wildcats still play like a one-man team. Thanks to forward Jim Fuller's 22 points, they swamped Washington 64-35 at Los Gatos last Friday night.

In a battle of "also-rans" Mountain View, idle last week, tackles the Indians at Fremont in a third SCVAL contest. This should be an interesting game since it matches the team with the league's two higest scorers against the squad with one of the SCVAL'S best defensive records. Eagles Dan Ortiz and Steve Flynn have already accounted for 112 points for Mountain View this season. Any high school team with two forwards averaging fourteen points a game has to be considered an offensive threat in spite of two disappointing league defeats.

## BUC BABES BEAT LICK

The Campbell Thirties, having defeated Lick, is the only Thirties squad having any chance of catching the strong and undefeated five from Mountain View. The Eaglets will undoubtedly defeat a weak Fremont Thirties five, tomorrow night, but might stumble in their last game next week, when they face a strong Lick team, which Campbell was lucky to beat last Friday.

As in the varsity statistics, the Mountain View Thirties boast the league's highest individual scorers. Escobar, Catambay, and Mendes are among all Lilghtweight leaders, since John Escobar, now averages eleven points a game. Only Klassen and Almquist rank in the top ten for the Bucs.

The Campbell lightweight encounter tomorrow night against Washington at Centerville will be no pushover. The Huskies, fresh from a 35-24 victory over Los Gatos, have a fleet forward in Monico Paler and one of the lightweight league's best guards in Johnny Adams. Huskies Thirties Coach, Don Wolfe, like his boss Clyde Voorhees, is a tricky mentor and has four capable sophomores plus Adams, a junior, in his starting lineup.

Thanks to another great defensive evening by John Bogonyi, the Campbell lightweights pulled past a strong Lick thirties quintet 40-38 in last week's preliminary. Dwight Klassen was good for another dozen points which gave Lick its second league defeat and knocked it completely out of contention.

## BUCS TO PLAY WINLESS HUSKIES AT CENTERVILLE

Having pulled another close one out of the fire by defeating James Lick 62-57 last week, the Campbell High Varsity Basketball team travels to Centerville tomorrow night. Here they'll meet a team that has yet to win a game this season, but a team that still must not be underestimated. Only a few weeks ago Santa Clara went to Centerville confident of trouncing the winless Huskies. After sweating out their toughest game of the season, the Panthers were lucky to escape with a weird 9-6 victory. Shrewd Washington coach, Clyde Voorhees, had his hungry five play a full stall game against Santa Clara. Later Voorhees explained that he did it to give his boys confidence rather than merely to upset one of the conference leaders. But who can say what the Huskies will pull against the Bucs tomorrow night? Games are always tough for us at Centerville, whatever the opposition. Somehow, when they meet Campbell, the Huskies have always been murder at home. In its game against Washington, Santa Clara was lucky to hold a 4-0 halftime lead! The clever Huskies waited until there were only five minutes left on the clock and then center Jim Meyer tanked six points for Voorhees' club.

S. C. V. A. L. VARSITY STANDINGS

| | W | L |
|---|---|---|
| CAMPBELL | 4 | 0 |
| Santa Clara | 4 | 0 |
| Fremont | 2 | 2 |
| Mountain View | 2 | 2 |
| Los Gatos | 2 | 2 |
| James Lick | 1 | 4 |
| Washington | 0 | 5 |

Voorhees, Dean of SCVAL coaches, is experiencing his worst season in fifteen years at Centerville, in spite of the scare he was able to give Santa Clara. Winning no practice or conference contests, his five lacks height, experience, and a shooting eye. The Huskies need tall rebound men; their only veterans, center Jim Meyer and forward Al Rodriguez, the only 5' 10" and 5' 9", respectively. Building for next season, Voorhees continues to experiment and uses more reserves per game than any other conference coach. Sophomore Don Walton has looked good at second string center, and guard Morgan Chivers has been giving opponents many bad evenings.

Speaking of bad evenings, Lick had one saved for the Bucs, who had to go all out to defeat the East San Jose high school club last Friday night. Comet forward, Keith Antes, scored fourteen points and played his best game of the season, but the Bucs continued to operate as a well-coached, starless team, with all five starters scoring at least eight points each. Rahn Sparrer and Jon Harris were good for thirteen, Tony Schraub and Phil Arman ten, and Vernon Lunt, still the cool playmaker, had time for two important field goals and four free throws.

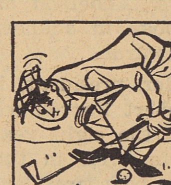
**(Editor's Note: This is the second contribution of Jack McDonald, who has been covering sports activities for many years. This time, Jack discusses the tough struggle pro golfers have in trying to win elusive tournament championships and picking up some of the even more elusive big money that goes with them.)**

To many galleryites at the big Pacific Coast [illegible]ments, the pro golfer, performing in his neatly pressed slacks and gay sweater, doubtless epitomizes the tops in an [illegible] carefree existence, instead of one who actually makes perhaps the most precarious living in sports.



**About 60 of these touring pros compete on the winter circuit, but only the top 25 grind out as much as $5,000 a year in prize money, with cash prizes dwindling down to only $7.14, little more than breakfast money, in some instances.**

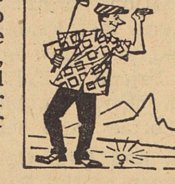
There is no other pro sport we can think of where the contestant enjoys no employment contract, has no guarantee of salary or prize money, and no assurance of earning his living, or even his expenses, which are a conservative $200 a week while on tour.

It is a fact only about 20 per cent of the touring golf troubadors make a decent living out of the game, and then not until they have struggled through six or seven years to hit the top brackets.

**For the others, it is a case of being subjected to greater pressure than participants in most other sports, as they attack their shots in the closing holes, wondering how they are going to be able to buy enough gas to get the jalopy to the next tournament, where their chances of being any better off financially are still slim.**

Tournament golf is really an expensive game. It costs $25 to enter and caddies must be hired at "plumbers' rates" to lug clubs and chase balls during endless hours of practice. Caddy fees are $10 a day. A bag of clubs costs about $250, and the pro uses dozens of balls at $1.13 each, unless he has a connection with some manufacturer who gives them to him for free.

**In spite of this, the PGA — Professional Golfers Association — membership is at an all-time high. The list includes such extreme cases as Dr. Cary Middlecoff, who gave up certain success in his studied profession for a precarious living on a golf course.**



Why does he, and scores of other smart young men, select the career of a pro golfer over some other more lucrative line of endeavor? Well, we guess one reason is no golfer, from the lowliest hacker to the National Open champ, will deny the strange fascination of the game, even though its pros, with the exception of about a dozen top-ranked stars, get financial compensation nowhere near comparable to top athletes in any other major sport.

**Then there is a bright prize ever dangling elusively before the eyes of a young pro — a job at a really swank country club. Big clubs, as a rule, hire big-name pros. The young man can achieve this classification only along the pro golf circuit.**

But as long as golfers thrill to the solid smack of a driver connecting with the little white pellet, there will be young pros living on hamburgers and candy bars, hoping to beat the terrific odds against them in tournament golf.

## CHRISTIAN SCIENCE

God's infinitely wise and intelligent government of the universe, including man, will be brought out at Christian Science services this Sunday.

Keynoting the Lesson-Sermon entitled "Mind" is the Golden Text from James (1:5): "If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read (215:12): "Whatever is governed by God, is never for an instant deprived of the light and might of intelligence and Life".

Scriptural selections will include the following Proverbs (3:13): "Happy is the man that findeth wisdom, and the man that getteth understanding."

## NAVY BAND VISITS CAMPBELL HIGH

The 12th Naval District Band entertained the Campbell High Student Body, on Tuesday, February 8, at a school assembly.

The pieces played were planned for the special entertainment of high school students.

Some of the selections were "Buglers Holiday", featuring three trumpet players; "Strato Swing", "T. V. Suite"; "Sea Medley" made up of familiar sailor's songs, and the traditional "Anchors Aweigh".

Students agreed that this band furnished one of the best assemblies yet this year.

## CSF CONVENTION SATURDAY

Campbell will send delegates to a CSF Convention, to be held at Menlo Atherton High School on Saturday, February 19, from 9:30 to 3:30. The morning session will include speakers and discussions from the schools in the area. Lunch will be eaten at the "Cellar" at Stanford University, and a tour of the Campus will complete the day's activities.

The CSF members representing Campbell are Elaine Mayer, Jim Schubert, Bruce Knox, Darnell Herschback, Kathy Border, Sue Koester, Gary Butzbach, Jean Rafferty, Pat Detralia, Nancy Richards, Betty Baldridge, Carole Foster and Maureen Swanson.

Mr. Allman and Mr. Runcie, advisors, will accompany the group.

## WRESTLING FINALS TONIGHT

Wrestling spotlights this sports week, as the finals in the SCVAL championship tournament are to be held in the Los Gatos Gym, today, February 17, at 2:00 o'clock.

This tournament, won by Campbell for the last two seasons, decides by elimination matches who the best wrestlers in each wt. division are. The school the wrestler represents gets five points for a pin, and three points for a decision. The total number of points decides the championship team. The individuals who win all SCVAL honors will be able to participate in the Northern California Wrestling Tournament held on Saturday, February 19, at Tulare.

By vote of 1,686 to 211, the South Santa Clara Valley Water Conservation District has approved the $2,111,000 "go-it-alone" bond issue for a dam storing 10,000 acre-feet of Uvas Creek runoff.

More than 22,750 boys and men have enrolled in the Boy Scouts of America since 1910. In 1954 more than 900,000 Boy Scouts and Explorers camped in various sections of the country.

# 1925-26 CAMPBELL HIGH CLASS REUNION SATURDAY

There is to be a reunion Saturday evening at a dinner meeting in La Rinconada Country Club of the 1925 and 1926 graduating classes from Campbell High School, with Milton Nelson acting as master of ceremonies. Already eighty reservations have been made, according to John Duncan, treasurer of the group. Other committee members are Antone Bonocurrso, Ray Steindorf, Phoebe Davis, Catherine Halliwell, Glen McCoy and Ethel McCoy.

This is to be the first reunion in thirty years and it has been planned since two years ago.

While reservations have been received for eighty, letters and wires have been received from quite a few others who will not be able to attend. Theodore Housen, now in diplomatic service, cabled his regrets from Iran, saying he has been in foreign lands 12 of the last 14 years.

Commander Roy Skow, U. S. N. wired regrets from Washington, D. C., where he holds an important post in atomic research and Mrs. Evelyn Voge Canfield sent her regrets from Glen Ellen, Illinois. Her mother, Lillian Voge was city librarian here for many years and her grandfather was the first principal at Campbell High School.

Dr. G. B. Robson, Dean of the Stanford University Medical School is to be one of 40 classmates at the reunion. There were 30 in the 1925 and 32 in the 1926 graduating classes.

John Duncan said today that Campbell High graduates of other years will be welcome after the banquet.

# Forum Program On Sunday Presents 'Lost In The Stars'

"Lost in the Stars", to be presented Sunday, Feb. 20 at the First Methodist Church in San Jose, on seventh program of the Sunday Evening Community Forum, is an adventure in musical drama pitched to the haunting mystery of native South Africa. It is the major work of the Winter concert series of the Stockton Chorale.

Created by Pulitzer prize-winning novelist Maxwell Anderson and the late composer, Kurt Weill, "Lost in the Stars" is adapted from the text of Alan Paton's searching novel, "Cry the Beloved Country". In its present form it thrilled audiences in New York's Music Box Theater for more than a year.

It is a deeply emotional story of native-white relationships in South Africa today, beginning and ending in the remote Natal village of Ndotsheni and with some of the action in and near Johannesburg.

It points up a condition which right at this time is reaching critical proportion in the Dark Continent and has stirred world-wide interest.

The Chorale, with 17 solo voices, including most of the leading soloists of Central California singing ensemble, will include the following numbers in its San Jose performance: "The Wild Justice", "The Hills of Ixopo", "Little Gray House" ,"Thousands of Miles", "Murder in Parkwold", "Fear", "Lost in the Stars", and "Cry the Beloved Country".

It will be the concert group's only appearance in San Jose this season.

# D. H. Wrights Golden Wedding

Fifty years of a happy marriage was celebrated February 8 by Mr. and Mrs. H, D. Wright of Rt. 2, Box 458, Campbell. They were married in 1905 at the First Baptist Church in San Jose and resided in that city until five years ago when they moved to Campbell.

On Saturday, February 5, they were honorees at dinner given at Hawaiian Gardens by their daughter and son-in-law, Mr. and Mrs. A. J. Brova and son Harold; and their son and daughter-in-law, Mr. and Mrs. E. F. Wright and son Larry; and lifelong friends, Mr. and Mrs. Frank Brown and daughter Chramie of Sacramento. Before going out to dinner Mrs. Wright was presented with a new gold wedding ring by her husband, the old one having grown thin after fifty years of constant wearing. At this time she also received two corsages of golden orchids, one from her daughter and the other from their friends the Browns. The following day, Sunday, a reception was held in celebration of the Wright's Golden Wedding Anniversary with approximately fifty-five persons attending. For the occasion a tiered wedding cake was encircled with gold flowers and green leaves to carry out the golden wedding theme.

# New Meat Market To Open Today

A new butcher shop is to open Thursday in the Village Food Market, corner of Union and San Jose-Los Gatos Road, by Toufic Baz who will specialize in quality meats and personalized service. Baz will cut his meats to order and have a complete line of better grade meats and cold cuts. Thursday is to be his "get acquainted opening" with the grand opening on a later date.

Baz entered the butcher trade in 1933 while living in Ohio. He has worked at it ever since with time out for a two year hitch in the Army in 1942-43. He is married and lives at 15000 San Jose-Los Gatos Road with his wife Virginia, and three children, Christopher 11, Nicholas David 9, and Shawn 3½.

# George Murphy Dinner Speaker

An attendance of at least 500 persons is expected at the Republican Lincoln Day Dinner at the Hawaiian Gardens on Thursday, 7:30 P. M., February 24, when George Murphy, former movie star and M. G. M. executive, will be the speaker, it was announced yesterday by George Milias, Jr., of Gilroy and Lee Rodgers of Palo Alto, cochairman of the affair.

Community chairmen for the event have been announced as follows: Mrs. G. R. Morris, Gilroy, Morgan Hill and Coyote; Mrs. David Galbraith, Los Gatos and Saratoga; Mrs. Urban Sontheimer, San Jose; Major H. E. Lillingston, Campbell; Mrs. George Ritchie, Cupertino; and Lee Rodgers, Palo Alto, Los Altos, Mountain View and Sunnyvale.

Other chairmen assignments are: Roy Kennedy, reception committee; Spencer Williams, ticket distribution; Mrs. Conrad Baker, decorations; and Mrs. Doris Frank, publicity. The Young Republicans of San Jose, with Tom Gray as chairman, will have charge of special activities.

In addition to his outstanding career as a dancing and acting star, George Murphy has achieved wide recognition as the motion picture's unofficial spokesman and representative, appearing before groups of all ages throughout the U. S. and abroad. In 1953 he was chairman of the California Republican State Central Committee. He is a past president of the Screen Actors Guild and a member of the board of the Academy of Motion Picture Arts and Sciences.

Tickets may be obtained from members of the committee or from Mrs. Helen Marx, executive secretary, Republican County Central Committee, 1429 The Alameda, San Jose, or by calling CY-press 7-3265.

# Canine 'Prinz' On Wanderlust

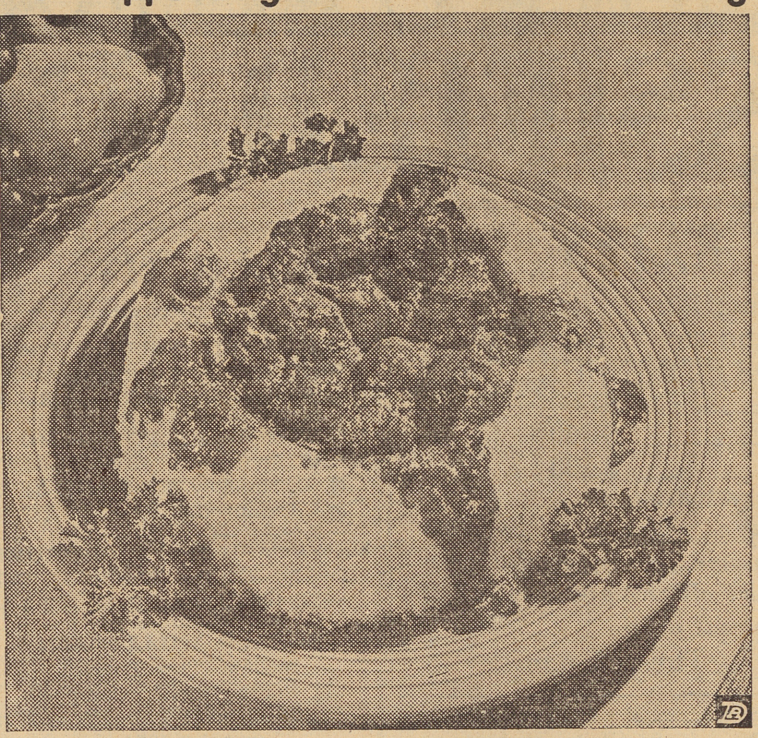
The recent balmy weather seems to have given Prinz, a police dog owned by Mrs. Joseph Ott of 373 Hamilton Avenue, a case of the wanderlust. Last Monday Mrs. Ott reported Prinz and his year old son Rex missing. Ordinarily both dogs have been content to roam their one and a half acre yard, but on this particular day something else beckoned, so they both went AWOL.

Tuesday Police received a call from the Dover School that a stray dog was menacing the children and had bitten one little boy, David Wiens. Chief Locke sped to the scene and was promptly set upon by the dog when he alighted from his police car. He thereupon called the poundmaster who was also attacked by the dog when he tried to corner him. After this attempt the dog ran through the orchards and got away. In the meantime Mrs. Ott reported the pup had returned home with a torn cheek.

Returning to the Police station Locke called Mrs. Ott to tell her that Prinz had been located but that probably because of hunger was rather vicious. Mrs. Ott offered to go with the Police and use her high fidelity whistle in hopes that Prinz would hear it and return to her.

And that's exactly what happened. Mrs. Ott rode into the orchard in a neighbor's truck, blew her whistle, Prinz heard it and came bounding over, hopped into the truck and away they all went for home.

## New Appetizing Flavor For Rice-Meat Ring



The whole family will enjoy the magic new flavor of this appetizing dish made with low-cost veal, set in a fluffy rice crown, and topped with a mouth-watering sour cream gravy. The flavor secret is the exciting new product, pure monosodium glutamate, which is sold in grocery stores under the name Ac'cent and comes packed in handy red-and-silver canisters, or in a glass kitchen shaker.

Ac'cent, pure monosodium glutamate is made from beets or wheat. It does not add any flavor, color or aroma to foods. Instead, it accents and perks up the good, natural food flavors and improves the taste of meats, poultry, seafood, gravies, sauces and leftovers.

**Veal Paprika in Rice Ring**
1½ lbs. veal, cut in 2-inch pieces
¾ tsp. Ac'cent
½ tsp. salt
¼ cup flour
3 tbsps. fat or drippings
⅓ chopped onion
⅓ cup water

Gravy
1 cup sour cream
½ cup milk
½ tsp. salt
½ tsp. Ac'cent
1 tbsp. paprika

Rub veal with mixture of Ac'cent, salt and flour. Brown in skillet with melted fat. Add onion, brown slightly. Add water, cover tightly and cook slowly for 50 minutes. Place meat in rice ring on platter. Blend gravy ingredients thoroughly with drippings in pan; reheat and pour over meat. Serves 4.

# Campbell School District Reports Many Activities

Campbell schools are to be closed Monday, February 21 and Tuesday, February 22, Washington's Birthday, making a four day holiday for students. Trustees declared Monday as an extra holiday for the non-certificated personnel on school staffs.

Mrs. Dorothy Orey has joined the teaching staff of the Campbell Grammar School district and has been assigned to the Moorpark school teaching a kindergarten class. She comes originally from Weed, Siskiyou County but received her degree from San Jose State in 1954 later serving as student teacher at Moorpark and substitute at Dover schools. Mrs. Orey has been one of the 44 substitute teachers in the district.

Dorothy Royce, principal of the Campbell Grammar School said today that more than 700 pupils have been signed for various kinds of activities offered by the schools other than in the music department. A new type of semester report card is now being used to present a more definite recordation of work by the child.

A recent card party at Cherry Lane School cleared $94 for the Home and School club and will go toward providing playground benches. The club voted to buy a movie screen for the school and a supplementary amplifier for the projector. Henretta Wehrli from San Francisco State College is a new student teacher at Cherry Lane.

**CHERRY LANE CHORUS**

A chorus has been organized at the Cherry Lane School while at the Rosemary and Quito schools, rhythm bands have been formed.

The United States exported about 23 per cent of its tobacco production in 1952.

A total of 102 countries is reached via overseas radio-telephone service.

# Farm Picture Concerns G.O.P Assembly Here

Major (ret.) Howard Lillingston of Campbell, newly elected president of the Santa Clara County Republican Assembly said yesterday that Don Stelling, prominent orchardist of Cupertino had been named chairman of an important agricultural committee whose purpose is to study farm needs and present any resolution of importance to the State convention March 18-20 at Pasadena. Water needs to cope with an increase in industrial and home building program is deemed of paramount importance in this county.

Other committee members are Lee Rogers, Palo Alto dairyman, Robert Free, San Jose produce man, R. Frieble, Morgan Hill poultryman, and K. Morris, Morgan Hill berry grower.

A shipside refrigeration terminal at the Port of San Francisco contains 680,000 cubic feet of space.

Mushrooms are rich in protein, have a high iron count contain various vitamins and are one of the easiest foods to digest.

Retail sales per capita in California during 1953 reached $1279, or 19.4 per cent higher than the United States average of $1071.
